Cruise for the Cure

Carnival Fascination to Key West & Nassau

May 10-15, 2010

Day 1 - Travel to Jacksonville, FL (travel to day before cruise is recommended). Board the Carnival Fascination for a five day cruise to Key West and Nassau in the Bahamas. Ship sails at 4:00 pm. Enjoy the evening getting to know your fellow passengers or just relaxing in your cabin.

Day 2 - Today will be a "Fun Day at Sea." Spend the day lounging by the pool or playing 9 holes of golf. Don't forget to pick up the latest looks at the Fun Shops. Feeling lucky? Double down at Casino Royale before a night of dancing or a fabulous show. Tonight, there will be a private Cocktail Reception before dinner. Eat whatever you like, whenever you like at the Carnival Fascination Coconut Grove Bar and Grill, our Lido deck restaurant. Hamburgers, hot dogs, pizza, salads, roast beef, chicken, fish, broccoli, rice, potatoes, ice cream, cake, pie, cookies... Do we need to go on?

Day 3 - Spend the day in beautiful Key West. The "Conch Republic" is a festive island of colorful bars and equally colorful characters in what may as well be the tropics. America's southernmost tip, where Harry Truman spent his summers playing poker and running the country, is a non-stop delight. Visit Hemingway's house where you'll find his original manuscripts and many of his famed six-toed cats. And while you're on the island be sure to sample its culinary treasures, such as conch salad and world-famous Key Lime pie.

Day 4 - Another "Fun Day at Sea" awaits you today. Spend time relaxing at the spa. This is your time to be spoiled, indulged, pampered and beautified. Lay back, close your eyes, and feel the stress sail away as you tranquilize your body and mind. Enjoy this moment just for you. Ready to get wet? Try the new WaterWorks aqua parks – featuring a thrilling, four-deck-high Twister Waterslide, the biggest, longest and most elaborate slides in cruising. Stay fit at the state-of-the-art fitness centers, relax in the jacuzzi or visit the late night buffet. You'll never run out of fun things to do.

Day 5 - Picture an idyllic place with stretches of perfect white-sand beaches, gracefully swaying coconut palms offering oases of shade, and warm, crystal-clear waters revealing the secrets of incredible multi-colored marine life. That's what Nassau in the Bahamas has to offer. Whether you spend the day shopping for duty-free gifts and mementos, taking a carriage ride past sorbet-colored buildings, or touring in a glass-bottom boat, chances are you'll leave this happy place in the Bahamas with lots of beautiful memories.

Day 6 - Return to Port in Jacksonville. Depart for home.
